

Start watching in 4 steps

Welcome to Section 31. Let's get you watching.

One password for your Jellyfin profile and Requests.

1 Choose your password

Open your personal setup link and enter your password twice.
Then tap **Set my password**.

Use 6+ characters: a letter, a number, and a special character.

2 Watch in your browser

Enjoy movies, shows, and live TV on the watching website.

[Open browser](#)

3 Watch in an app

Choose your device below to find the Jellyfin app.

iPhone / iPad

[Apple App Store](#)

Roku TV / Roku player

[Roku Channel Store](#)

LG Smart TV

[LG Content Store](#)

Samsung Smart TV

[Samsung TV App Store](#)

On your TV, you can also search for **Jellyfin** in the app store.

Choose **Add server**, then enter the full address below, including **/watch**.

Server address

<https://media.thesection31.com/watch>

Copy server address

4

Sign in and enjoy

Select your profile and enter the password you created in step 1.

Use that same password for Requests whenever you want something added.

Open Requests

Need a hand? Dustin can help you get connected.
